MISSION STATEMENT

Broomfield Community Foundation...developing charitable giving to support Civic Projects, Human Services, Arts & Humanities, Seniors, and Education

ADDITIONAL FOUNDATION FACTS

The Broomfield Community Foundation was established in 1993 as a 501 (c) (3) corporation. The Foundation's purpose is to accept contributions and provide support through grants in the areas of civic projects, human service, arts & humanities, seniors and education which benefit Broomfield citizens; to manage an endowment whose income provides support for the grant making process; and to educate the public and encourage community leadership in the areas of philanthropy and community service.
